Press Release – Pacific County Sheriff's Office response to Initiative 1639

As Sheriff of Pacific County Washington, it is my responsibility to protect the citizens of this county and to uphold the United States Constitution and the Washington State Constitution. There have been concerns brought forth in regards to Initiative 1639. These concerns will need to be addressed by the courts. A decision on the legality of the Initiative will need to be made. I have conferred with our Pacific County Prosecutor on this issue.

The Pacific County Sheriff's Office will continue to investigate all complaints we receive from our community members but until the legality of Initiative 1639 is resolved by the courts these Initiative matters will be documented only.

Respectfully,

Robin Souvenir
Pacific County Sheriff
