

ALPHAMEDIA
LIVE , LOCAL , GRAYS HARBOR

Statewide and local restrictions do not allow most opportunities to learn more about local candidates as voters would in other elections. Because of this, Alpha Media Grays Harbor is holding a series of virtual candidate forums leading up to the November General Election in cooperation with Greater Grays Harbor, Inc.

Over the coming weeks, and prior to ballots arriving to voters, we will be holding these virtual forums live and featuring voter questions to the candidates and live discussions between other local residents.

Candidates from the Grays Harbor County Commissioners races as well as the Representative and Senator races for both the 19th & 24th Legislative Districts have all been invited to participate in these forums set to broadcast live on Facebook and feature local voter interaction.

In addition to questions coming from KXRO, voters will also have the opportunity to submit questions during the live forum. Some of these questions will be directly presented to the candidates.

These forums will be broadcast live on the KXRO and Greater Grays Harbor, Inc Facebook page, as well as affiliated sponsor pages.

We encourage all local voters to participate in these live virtual events to learn more and get a better understanding of the individuals that will be representing Grays Harbor in 2021.

The schedule of candidate forums can be found at KXRO.com, in Events on the KXRO Facebook page, as well as at www.graysharbor.org.
